Re: Time Warner Cable New York City, LLC
 Case 02-CA-126860

Dear Mr. Margolis:

It has come to this Office's attention that the Respondent's Motion for Reconsideration in the subject case was filed with the Board on September 5, 2018, more than 28 days after service of the Board's decision.¹ Accordingly, the Respondent's motion is untimely and will not be forwarded to the Board for consideration.

Section 102.2(d) of the Board's Rules and Regulations allows for parties to file documents within a reasonable time after the due date only upon good cause shown based on excusable neglect and when no undue prejudice would result. "A party seeking to file such documents beyond the time prescribed by these Rules must file, along with the document, a motion that states the grounds relied on for requesting permission to file untimely. The specific facts relied on to support the motion must be set forth in affidavit form and sworn to by individuals with personal knowledge of the facts." In order for the Board to consider the Respondent's untimely filed motion for reconsideration, you must follow the prescribed method outlined in Section 102.2(d), which requires a sworn affidavit by individuals with personal knowledge of the facts.

In light of the above, the General Counsel's request for an extension of time to file a response to the Respondent's Motion for Reconsideration, although previously granted, is now denied as moot.

Very truly yours,

/s/ Farah Z. Qureshi
Associate Executive Secretary
